- Repair services

VIACORD | Cord Blood Banking + Research™

“We spent quite a bit of time and effort looking for a vendor that could accommodate our need for inventory accuracy, lot and date control and exceptional service. We are thrilled to say that in **Allied**, we found more than a vendor, **we found a business partner.**”

-Purchasing Manager

For over 60 years, **The Allied Group** has partnered with many successful companies and organizations to achieve great results. Many of your colleagues have already chosen **The Allied Group** as their one-stop source to implement marketing and fulfillment programs.
