Thank you very much for your interest in our products.

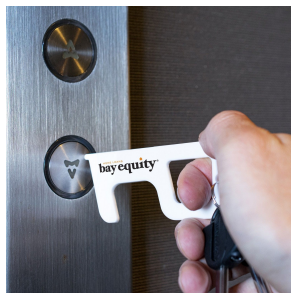

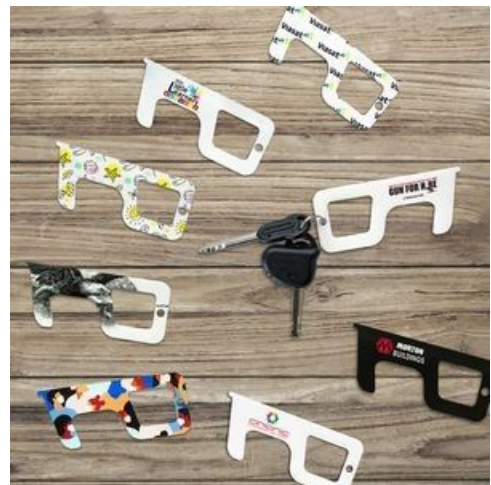

Clean Tool

Item Number: TBDFC-NTBPN

The Clean Tool is a discreet keychain device that can open door handles and press public buttons to operate ATMs, elevators, keypads and more! It can even be used on most touchscreens such as ones used at self-checkout. This simple tool helps you to touch less, adding one more line of defense from contagions. The Clean Tool is built to last, made of high-impact Polystyrene plastic and Made in the USA! Get yours with full-color logos and designs! 3.5" W x 1.5" H
