

# COVID-19 SIGNS

Help combat the spread of COVID-19 by supplying Stock and Custom Polyethylene Signs

## SLOW COVID-19 SPREAD

### WASH HANDS PROPERLY

Follow These 6 Steps Every Time

1. Wet hands, apply soap.
2. Lather hands.
3. Scrub 20 or more seconds.
4. Rinse hands.
5. Dry hands with single use towel.
6. After drying, use towel to turn off water and open door.

USE HAND SANITIZER, if washing is not an option.  
Must be at least 60% alcohol-based.

## WE CAN ALL DO OUR PART TO HELP STOP THE SPREAD!

- Hand washing signs are useful tools to help protect the health and safety of both staff and the public.
- Airborne disease can spread when people cough, sneeze, or simply talk. Be sure staff and customers are practicing social distancing and taking proper precautions.
- Stock signs are printed on 23 mil FDA approved plastic and are outdoor durable.
- All four stock signs measure 12" x 18" and ship within 48 hours.

### STOP THE SPREAD OF GERMS

<p><b>THE SPREAD OF GERMS</b></p>  <p>Cover your mouth and nose with a tissue or use the inside of your elbow.</p>	<p><b>WASH HANDS OFTEN</b></p>  <p>Use soap and warm water for at least 20 seconds, rubbing vigorously.</p>
<p><b>CLEAN AND DISINFECT</b></p>  <p>Clean and disinfect frequently touched surfaces. Use detergent or soap and water prior to disinfecting.</p>	<p><b>AVOID TOUCHING YOUR FACE</b></p>  <p>Avoid touching your eyes, nose, and mouth. If you do, wash your hands or use hand sanitizer with 60% alcohol.</p>
<p><b>AVOID CLOSE CONTACT</b></p>  <p>6ft.</p> <p>CDC recommends to keep a minimum distance of 6ft between everyone.</p>	<p><b>STAY HOME IF YOU'RE SICK</b></p>  <p>Stay home. Do not leave, except to get medical care. Do not visit public areas.</p>
